

The Legacy Archives

An online archive is being established on the BTC website for those honored at our monthly Shotsuki Hoyo services.

If you would like **to include your family member(s)**, email (btctreas@gmail.com) or mail a brief biography and photos to the Temple. Example profiles and detailed instructions are posted on the BTC website.

Help preserve the most important part of BTC's history – the lives and legacy of members through our first 75 years.

For additional information & examples, please visit:
