

2020 Census

Every 10 years, the U.S. government counts *every* person living in the U.S., through the census. The census is a short questionnaire that asks basic information about your household and the people who live in it. Your personal responses are confidential.

The next census will start in **March 2020**. Make sure that you are counted to get your **fair** share of resources and representation!

Responding to the census is quick and simple.

- **You can respond online.** The Census Bureau will send you instructions in **mid-March 2020**. Go to the official census website, enter your household ID, and then answer the questions.

- **You can respond by phone.** Call the Census Bureau to answer the census by phone and ask questions about the census.

- If you do not respond to the census online or by phone, the Census Bureau will mail you a **paper questionnaire**.

If you do not respond, starting in May 2020, a census employee might come to your home to ask for the information in person. You can still respond online or respond by phone through June 2020.
