**Thank You to the Clean & Green
Volunteers April 22-24**

By Gary Nakai

This year, the temple participated in the annual Chicago's Citywide Clean & Green Day of Service, sponsored by Department of Streets and Sanitation (DSS). Brooms, shovels, rakes, and bags were provided by DSS. Yard work is hard, but never the less, temple members and friends along with neighbors pitched in to beautify the temple grounds, nearby streets and lawns by picking up trash, litter, clearing yard waste, leaves and twigs, etc. over a three-day period starting the day before and ending the day after the official date of April 23rd. Twenty-nine, large (55 gal and over) plastic bags filled with unsightly debris totaling about 1,000 lbs. in weight were collected. The result was a beautiful sight in the neighborhood, worthy of the beautiful team effort expended to demonstrate pride in our community! Many thanks to these hard-working, beautiful people. Judging from its success, it looks like this may very well become an annual BTC Spring cleanup event too!
